# THE WEST SUSSEX SCOUTS & GUIDES JOINT ACTIVITY BADGE

The purpose of the Joint Activity Badge is to encourage and reward joint activities between members of the Scout and Guide Associations across West Sussex.

To gain the badge members must take part in a joint activity with members of the opposite Association -

1. A minimum of 4 members must be present for the duration of the activity. There is no upper limit on the number taking part but there must be at least 2 members from each Association.
2. The minimum activity duration is:
  - 1 hour for Beavers and Rainbows
  - 1.5 hours for all other sections

To gain a SILVER badge, take part in 4 joint activities and for GOLD take part in 10 joint activities.

Examples of acceptable activities are:

Joint weekly meeting, joint camp, joint outing, joint entertainment (gang show or similar), joint hike or ramble, joint adventurous activity and joint social event (bowling for instance)

Gatherings celebrating special festivals i.e. Mothering Sunday and national events i.e. Remembrance Sunday do not come within the guidelines for attainment of the badge

## Notes for leaders:

Joint events should be jointly organised - simply being in the same place at the same time does not necessarily constitute a joint activity! Please bear this in mind before applying for badges and make sure the activity is in the spirit of the badge.

When the activity has been completed you may apply to the administrator for badges using the application form. Either a Scout District Commissioner or a Guide Division Commissioner should endorse the form. *Please follow the instructions on the application form*

Silver and Gold badges will be awarded for 4 and 10 activities respectively.

Only one badge should be worn at a time and only one of each badge will be issued to any one person.

Badges are free but you must send an envelope with the correct postage.
